

THE MOORE AIR QUARTERLY

Aloha members! We hope everyone had a very merry Christmas and a pleasant holiday season.

FLEET UPDATE

N9846J (C172) and **N66540** (C172) have just come out of a fresh 100 hour, and **N1366T** (Arrow) should be finished by the time you read this.

The rest of the fleet is also up and running, waiting for YOU to come fly. If you haven't been around for awhile, the fleet consists of : 3-172 Skyhawks, a PA28-140B Cherokee, a PA28R-200 II Arrow, DA-40 Diamond Star with G1000, and the Beech B95 Travelair.

GROUND SCHOOL

It's a new year, so that must mean it's time for Ground School again! **Private Pilot Ground School** starts on January 16th and is being taught by CFI Robbie Navarro. It will be held on Mondays from 6pm to 8pm and will run for twelve weeks. Actual schedule will be decided on the first night of class. The class is free as always, although there are some material costs in-

involved. If you're interested in sitting in to brush up or know a friend interested in learning how to fly, please sign up on the roster ASAP. **Instrument Ground School** is slated to start January 24th if there is enough interest, so please sign up soon, or call and let us know. It will be held on Tuesdays and Thursdays from 6pm to 8pm for eight weeks. Cost for this class is \$160.

REMINDERS

All Moore Air CFIs are requested to attend the **CFI meeting** scheduled for Tuesday, January 17th at 6pm ... as always, food and drinks will be provided to all! Please notify the front desk if you cannot attend. Also, our **\$79 Discovery Intro Flights** are still being offered, so if you have anybody in mind, be sure to let us know.

NEW YEARS' POTLUCK

January 21st: mark the day in your calendars! Moore Air is holding a **New Years' Barbeque** to ring in the new annum. Members and any

guests they wish to bring are invited. The barbeque will run from 10am- 2pm and will include numerous door prizes for all attendees! More details to follow. Bring a dessert if you like, or any extras. Please **CALL US** if attending.

COMPLIMENTARY GIFT

In order to express our appreciation for your support in the flying club, we would like to present each member with a 2012 Moore Air magnetic calendar, compliments of Moore Air. Be sure to stop by the front desk to pick yours up if you haven't already done so.

GRAB BAG BRAINBUSTER

When does $V_x = V_y$?

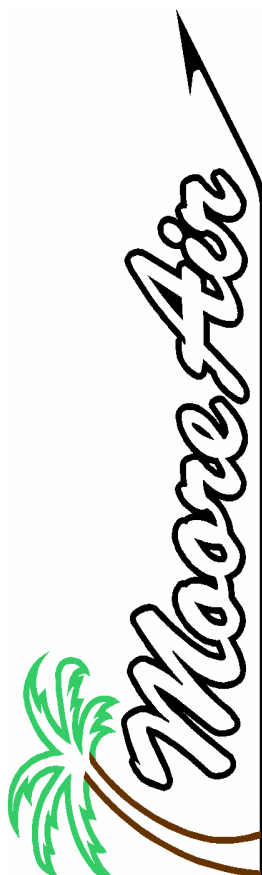

1. At aircraft absolute ceiling.
2. When climb rate is greater than 200 fpm.
3. At aircraft service ceiling.

Notes of Interest...

N5911U has recently been added to the fleet and is available to fly at a great rate. It's running great and it's a lot of fun, so be sure to come out and take it up!

Also—Don't forget about our Sims, a great inexpensive alternative to stay current!

Hail and Farewell

Please give a warm 'aloha' to the following new CFIs joining us at Moore Air! **James Urso**, originally from Hawaii, but recently instructing in FL and CA...., and **Evan Scott**, from Louisville, KY, who also has a computer background On the other hand, we must sadly say 'mahalo' and 'aloha' to **Meagan Nauman** who is moving to Alabama to continue her career, and **Jelica Matic** who is taking a sabbatical to accomplish some personal goals. We thank them both for their hard work and wish them the best of luck!
